PRESIDENT'S PULSE

Steve Dwiggins, President

Welcome to April, and the long anticipated return of spring—the harbinger of warmer weather, sunny afternoons, and Corvette activities.

It's been a full year since we were able to gather together to share a meal, conversation, and laughs. We do finally seem to be nearing an end to the worst of COVID, although we aren't quite out of the woods yet. I'm sure many of you have gotten your vaccine shots—Beth and I got our first dose last week.

Discussions are going on right now about a return to face to face meetings. I hope next month's newsletter will give you the details on our next meeting.

So—if you haven't been vaccinated yet, I hope you can do so soon. Stay safe and well.

I'll leave you with this image. I didn't know Captain Kirk drove anything but the Starship Enterprise!

And, they're right. I'll never be this cool, even in my wildest dreams!

Members,
[Wondering where to go to get that Vette serviced or worked on????????? Many of our members are very knowledgeable about where to go and where not to go. If you need help with any type of Vette repair or service, please contact another member or just ask at the next meeting.](#)

Members wanting to place articles or information into the Newsletter need to e-mail Jan at vettejbs@cox.net by the first Monday of each month in order to meet the Newsletter time schedule.
