## PRESIDENT'S PULSE

So, anyone else glad to see February in the rear view mirror? I know that I am! That cold winter blast reminded Beth and I why we're glad we no longer live in Ohio!

On the other hand, March looks to be off to a great start. I pulled my Corvette out of the garage for the first time since December, cleaned her up, dropped the top, and took off for the first outing of 2021.

Didn't have any place I really needed to go, but just wanted to get out on the road. Anyone else ever get that urge? Just wanting to get out, hear that motor growl a bit, and feel the wind in your face?

I had a bit of an extra pleasure during that day. I was driving down Phoenix Avenue and noticed a beautiful new C8 behind me. This was the first time I've actually seen one up close on the road. This one was finished in Torch Red, and was just breathtaking! It reminded me of the long line of Corvettes that helped make me (and I'm sure many of you) car fanatics.

From an early age, my mom always cautioned me about longing after something that belonged to someone else, but I gotta say I sure longed for that car. In keeping with that line of thinking, I'll just say that I sure wish I had that car, and that the owner had a new one!

I very much hope that the time when we can all jump into our cars and meet for a cruise or a dinner meeting are coming closer, and I do think that's happening. I don't know when it's going to happen, but I think the wait is close to over. Hope to see all of you soon!

## CORVETTES FOR SALE:

In the past I have sent several e-mails to the membership about Vettes for sale. Since space is too limited to list each one in the newsletter, I will continue to do this as separate mailings to members

Members,  
[Wondering where to go to get that Vette serviced or worked on????????? Many of our members are very knowledgeable about where to go and where not to go. If you need help with any type of Vette repair or service, please contact another member or just ask at the next meeting.](#)

Members wanting to place articles or information into the Newsletter need to e-mail Jan at [vettejbs@cox.net](mailto:vettejbs@cox.net) by the first Monday of each month in order to meet the Newsletter time schedule.
