PRESIDENT'S PULSE

RCC Membership,

I hope everyone survived the ice and snow storms in January. We had a couple of frozen water incidents at our house, but luckily no major damages. Hopefully February will treat us better with warmer weather and no ice. The sooner we can get our Vettes uncovered, washed, waxed, and back on the road, the better. I just finished applying for an indoor spot at the Hot Springs Corvette weekend and am now eagerly anticipating the early April show. I hope that lots of you plan to go with me. It is back in Hot Springs (yeh!) and should be a lot of fun again. Not only that, it will be a great opportunity for us to promote our show in June.

Now let's back up a bit, to February, because we have a Valentines dinner at Wiederkehr's coming up on February 13th. Our goal is to beat the 38 we had last year, so I hope you will all join us for what has become one of our most fun events of the year.

March 7th will be our first committee meeting for the 3rd Annual "Fast Cars in the Fort" Corvette Show. Jan and JB have already started working on this year's show and have all the show meetings scheduled. The first will be March 7th at Klein Tools on Zero St, starting at 6:00 PM. If you attended last year's show, you know that we got some really good feedback and even though the participants had to endure 100^o+ temperatures, some said it was the best show that they attended. We expect this year's show to be even better and pray that we get cooler weather and no rain. (I hope that's not too much to ask for.) I recently talked with some members of the Central Arkansas Corvette Club and they plan to at least double the 12 members that came last year. Your participation in the planning and show days will be what makes or breaks this event. So come to the first meeting with lots of ideas so we can assure that each year the show gets better and better. As usual, check the calendar to see all the events and meetings that are planned so far for this year. It should be an exciting year, so plan on being a part of it because the more the merrier.

Bob Klein
President RCC

JANUARY MINUTES

Rita Kerr, Secretary/Treasurer

President Bob Klein brought the meeting to order. He asked Barbara Gammon to discuss the upcoming events that she and Jamie had planned for 2010.

Our car show and the Hot Springs car shows were discussed. Rita announced that the Club dues of \$40 per year were due. President Bob was presented an apron for all the cooking he does for us each year. He then presented all the officers with awesome plaques with the Club logo laser etched on them.

The meeting was then adjourned.

Members wanting to place articles or information into the Newsletter need to e-mail me at vettejbs@cox.net by the first Monday of each month in order to meet the Newsletter time schedule

MEMBERS’ CAR PICS ON WEBSITE: Please continue to send your Vette pictures to Jan at vettejbs@cox.net and she will get them to John “Lumpy” Lumpkin so he can include them on our website’s Events Gallery page.

HOT SPRINGS CAR SHOW RETURNS. The Central Arkansas Corvette Club has announced the return of the Hot Springs Car Show. The Hot Springs Car Show has traditionally been the “first” official car show of the car show season and it will be held in Hot Springs, April 15-17, 2010. If you plan to attend that show, it is not too early to make your hotel reservations. Several club members have already done so at the Austin Hotel, where a block of rooms has been reserved for RCC. Phone (501) 623-6600. Room rates have been \$87 but don’t know if that’s still the case. Ask for “group reservations” when you call.

RCC CAR SHOW COMMITTEE MEETING DATES: All meetings will be at Klein Tool beginning at 6:00 p.m. Sunday, March 7; Sunday, April 11; Sunday, May 2; Sunday, June 6; and Sunday June 20. Please mark your calendars.

CORVETTES FOR SALE:

In the past I have sent several e-mails to the membership about Vettes for sale. Since space is too limited to list each one in the newsletter, I will continue to do this as separate mailings to members.

Wondering where to go to get that Vette serviced or worked on????????? Many of our members are very knowledgeable about where to go and where not to go. If you need help with any type of Vette repair or service, please contact another member or just ask around at the next meeting.

M MOVIE NIGHT REPORT.....Jamie Henry

Friday, January 15th, was movie night. The movie was "Sherlock Holmes". This was an exciting film and full of mystery. I would definitely rent it when it comes out so I can see what I missed the first go round. I would give this movie 2 Vette waves. Those attending were David and Barbara Gammon, Bob Klein, Katy DeJaeger, Randy Lewis and Debra Walsh, and Gary and Jamie Henry. After the movie, some of us went to Chili's and enjoyed visiting and discussing the movie! See you next time!

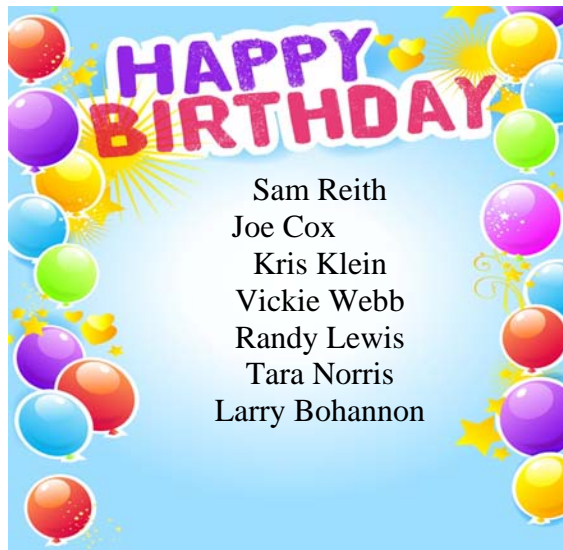

MOVIE RATINGS:

3 Corvette Waves—The best it can be!!

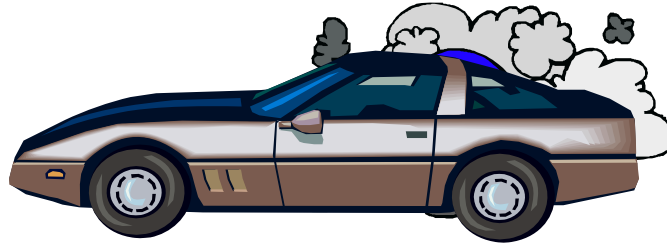

2 Corvette Waves—Average

1 Corvette Wave—Forget it, even a Corvette in the movie would NOT help it!!
